The background image is a dramatic landscape. A dark, textured path or road leads from the bottom center towards a bright, glowing light source on the horizon. The light source is surrounded by a large, billowing cloud of orange and yellow smoke or fire, suggesting a massive explosion or a fire. The sky is dark, and the overall scene is bathed in the warm, intense light of the fire. The path is flanked by dark, textured areas that look like water or wet pavement reflecting the light.

PRESSING FORWARD

YOUR PARTNERSHIP AT THIS CRUCIAL TIME
WILL MAKE A DIFFERENCE IN ETERNITY

This is, without a doubt, one of the most unique and significant letters I've ever written to you. I'm reaching out because we are standing at a critical moment in history—a time when your partnership could not be more vital.

The year 2024 has been a landmark year of both extraordinary progress and unprecedented challenge for our ministry. **By God's grace, and with your help, we've seen incredible breakthroughs:**

- The new *Courage in the Line of Fire* podcast is now airing on 200 stations nationwide and across all major online platforms, reaching lives with truth and hope in this chaotic world.
- Our *FRONTLINE* monthly newsletter is inspiring more people than ever, equipping them to stand courageously with faith and truth on the frontlines of today's cultural battles.
- God has moved powerfully in meetings across America and overseas, and this month we've launched the first classes of the *Jerusalem Bible Institute* in Israel, a one-of-a-kind school that, by God's grace, will make a generational impact.

Yet there is also some urgent, serious news. As we've pushed forward, we've faced the fiercest, most intense, demonic attacks in our ministry's history (and perhaps in the half-century that Nancy and I have been together).

It has been insidious and ugly, an effort of Satan designed to weaken us, deplete our energy, drain our funds, and stop the work.

Without exaggeration, these trials have been intense.

But what Satan meant for harm, God is already turning for good.

The Lord has drawn us into His presence in a deeper and more wonderful way! His Spirit has strengthened us, and our resolve to bring grace, truth, and courage to faithful believers on the frontlines is stronger than ever.

Thus we find ourselves at a sacred crossroads where to finish this year strong and launch into 2025 with full momentum we need your help.

Your generosity today will enable us...

- To replenish critical resources depleted during this season of intense spiritual resistance;
 - To fully prepare for the monumental opportunities ahead in 2025, including releasing my new autobiographical book, *Living in the Line of Fire*, AND completing a massive project that will change the face of Jewish ministry forever;
 - To expand our reach and impact, in both our nation and around the world—taking the gospel to more lives in the days ahead.
-

We have gone through the fire, and God has preserved us, but we have taken some serious hits.

This is where you come in. Your partnership at this sacred time will make a difference in eternity. Your gift today is not a mere tax-deductible donation—it's your way of standing with us as we press forward, refusing to allow the enemy to gain even an inch! It's your declaration that together, we will see God's purposes fulfilled in our generation!

Will you prayerfully consider giving your most generous gift right now to help us finish 2024 strong?

Every dollar counts. Every prayer matters.

Every act of faith makes a difference.

YES! I'M STANDING WITH YOU AT THIS CRITICALLY IMPORTANT TIME

Friend, I believe that God has positioned us for something extraordinary in 2025—something that will transform lives and change history. But we cannot do this alone. We need you with us, just as you've so faithfully been before.

Let's finish this chapter strong together, and move boldly into the new year, running with perseverance for His glory.

I am deeply grateful for your prayers, your love, and your generosity in this critical moment. Together, let's make history for the Kingdom.

With heartfelt gratitude and anticipation,

 **thank you.**
